Some of the groups/venues we visited this month:

- U3A
- Riverside House Drop-in coffee morning
- Rotherham Hospital
- MCVC
- Shiloh
- Tesco Rotherham

February
2024

Here's a few of the things you shared.....

"The dermatology department at the hospital is fantastic, all staff are extremely caring"

"The Ear Care Centre in Rotherham is fantastic. The staff are friendly and the care I have received is excellent."

"I'm really struggling with my feet and I only receive a podiatry appointment once every 6 months. I think these could be offered every 3 months to prevent more serious issues developing."

"Since being diagnosed with dementia, I haven't seen my GP. Luckily I see a nurse regularly who is fantastic but it would be nice to check in with a doctor even if only once a year."

"I've brought my 88 year old Mum to the hospital and have struggled finding a wheelchair for her. It would be great to have a wheelchair station on each floor"
