## Here's what you shared.....

***"The only way my Dad could get me an urgent appointment with my doctor was to raise his voice"***

***"I could really do with some help with reminders about my health appointments and medication - I have so many health issues I am getting overwhelmed"***

***"I have always found Rotherham Hospital great. I have been under the hospital for several issues over the years and I've always received great care and treatment"***

***"I think GP's are too quick in prescribing antidepressants - there are other options to consider first"***

***"There isn't enough recognition or support in Rotherham for unpaid carers"***
